

the Learning Network on  
Sustainable energy systems

# CONTENTS Quick Guide

In this website section you can:

**SEARCH FOR LEARNING RESOURCES**

# SEARCH FOR LEARNING RESOURCES 1/3

The screenshot displays the LeNSes website, which is the Learning Network on Sustainable energy systems. The navigation bar includes links for ABOUT LENSES, NETWORK, COURSES, CONTENTS (highlighted with a red circle 1), TOOLS, PROJECTS, and STUDY CASES. In the top right corner, there are dropdown menus for 'Affiliated network' and 'Select Language', along with 'LOGOUT' and 'REGISTER' buttons.

The main section is titled 'SEARCH A CONTENT IN ALL LEARNING RESOURCES'. It features a search bar with the text 'English' and a 'View resources' button. Below this is a table with six columns: CONTENT (highlighted with a red circle 2), YEAR, FORMAT, LICENSE, AUTHOR, and RESOURCE TITLE. Each column has a search input field and a list of resources. The 'CONTENT' column lists various topics related to Sustainable Product-Service Systems (S-PSS) and Distributed Renewable Energy (DRE). The 'YEAR' column shows a filter for 2014. The 'FORMAT' column has a filter for Slideshow. The 'LICENSE' column shows filters for Attribution, Non commercial, and Share Alike. The 'AUTHOR' column lists several authors, including Andrew Wheeldon, Carlo Vezzoli, and Fared Ismail. The 'RESOURCE TITLE' column lists various system design tools and methodologies.

At the bottom of the page, there are links for 'How it works', 'Personal area', 'Download site', 'Contacts', and 'Credits'. The footer includes the EDULINK logo, a statement that the LeNSes project is funded by the EDULINK II - ACP programme, European Commission, and a Creative Commons license logo.

After having logged in, click on 'Contents' and filter the available learning resources by content, year, format, license, author or resource titles (just typing the keyword) **1**. Then it will filter automatically **2**.

## SEARCH FOR LEARNING RESOURCES 2/3

The screenshot shows the LeNSes website interface. At the top, the logo "LeNSes" is followed by the text "the Learning Network on Sustainable energy systems". Navigation tabs include "ABOUT LENSES", "NETWORK", "COURSES", "CONTENTS" (highlighted), "TOOLS", "PROJECTS", and "STUDY CASES". In the top right, there are dropdown menus for "Affiliated network" and "Select Language", along with "LOGOUT" and "REGISTER" buttons.

The main search area is titled "SEARCH A CONTENT IN ALL LEARNING RESOURCES". It includes a language filter set to "English" and a "View resources" button. Below this is a table with columns: "CONTENT", "YEAR", "FORMAT", "LICENSE", "AUTHOR", and "RESOURCE TITLE".

CONTENT	YEAR	FORMAT	LICENSE	AUTHOR	RESOURCE TITLE
search...	search...	search...	search...	search...	search...
<input checked="" type="checkbox"/> course scope and structure	<input checked="" type="checkbox"/> 2014	<input type="checkbox"/> Slideshow <input checked="" type="checkbox"/> Slide + Video	<input type="checkbox"/> Attribution <input type="checkbox"/> Non commercial <input type="checkbox"/> Share Alike	<input checked="" type="checkbox"/> Carlo Vezzoli	<input checked="" type="checkbox"/> 0.0. System Design for Sustainable Energy for All course and LeNSes introduction

Red numbered circles highlight specific elements: "1" points to the "course scope and structure" entry in the CONTENT column; "2" points to the "Carlo Vezzoli" entry in the AUTHOR column; and "3" points to the "View resources" button.

At the bottom, there are links for "How it works", "Personal area", "Download site", "Contacts", and "Credits". The footer includes the EDULINK logo, the text "LeNSes project funded by the EDULINK II - ACP programme, European Commission.", and Creative Commons license icons (CC BY NC ND).

Now all the learning resource that meet the selected criteria (or keyword) **1** are listed, select on the learning resource you are interested in **2** and click on 'view resources' to view it **3**. Details in the next slide.

## SEARCH FOR LEARNING RESOURCES 3/3

The screenshot shows the LeNSes website interface. At the top, there is a header with the LeNSes logo and the text "the Learning Network on Sustainable energy systems". To the right of the header are dropdown menus for "Affiliated network" and "Select Language", and buttons for "LOGOUT" and "REGISTER". Below the header is a navigation bar with tabs: "ABOUT LENSES", "NETWORK", "COURSES", "CONTENTS", "TOOLS", "PROJECTS", and "STUDY CASES". The "CONTENTS" tab is selected.

The main section is titled "SEARCH RESULTS". It contains a "COURSEWARE" section with a "Back to search" button. Below this, there is a list of search results. The first result is "COURSE: CPUT, POLIMI LENSEs Team, System Design for Sustainable Energy for All, CPUT, SOUTH AFRICA, 2014, English". Under this, there is a sub-section "0. LeNSes and course introduction" with a "Hide contents" link. The sub-section lists the following items: "course scope and structure", "lecturing subjects and design exercise", "lecturing board", "learning resources", and "The LeNSes EU project".

To the right of the list, there is a table with columns for different file formats: "ALL", "SLIDE", "SLIDE VIDEO", "SLIDE AUDIO", "VIDEO", "TEXT", and "OTHER". Each column has a checkbox and an eye icon. Red circles 1, 2, and 3 highlight the eye icon, the selection checkbox, and the "download selected file" button respectively.

At the bottom of the page, there is a footer with links: "How it works", "Personal area", "Download site", "Contacts", and "Credits". There is also a logo for "EDULINK" and a Creative Commons license logo.

Now you can view learning resources (clicking the eye icon **1**), and/or download them (selecting them **2** and then clicking on 'download selected file' **3**). Different formats are available: SLIDES, SLIDE+ VIDEO, SLIDE+AUDIO, VIDEO, TEXT, OTHER
